### Participant Profile

- Foam Drilling Machines
- Foam Manufacturers
- Foam Roll Stock / Sheets
- Chemical Raw Materials
- Cutting Machines
- Lamination Machines
- Mold Equipment
- Processing Machinery
- Recycling Equipment
- Resin Systems
- Testing and Certification
- Adhesives and Sealants
- Tapes and Films
- Specialty Coating Manufacturers
- Assistants for Oil Removal
- Custom Foam Services and Casings
- Biopharmaceuticals and Nanotechnology
- Block Storage and Auxiliary Equipment
- Binding Agents
- Catalysts
- Ceramics
- Chemicals
- CNC Milling
- Coatings and Specialty Chemicals
- Colorants and Paint
- Composite Materials
- Specialty Color Foam

- Foam Cutters
- Distributors
- Elastomers
- Equipment and Instruments
- Esters (polyester foam)
- Others

### Visitor Profile

- Foam Manufacturing
- Automotive
- Packaging
- Adhesives / Bonding Technology / Sealants
- Conversion
- Chemicals
